Glacier National Park: America's Swiss Alps

By *Eli Schaperow*

Come tour Montana's Glacier National Park with Eli.

If you've been there, you were amazed; If you haven't been there, you'll want to go to where the Canadian Rockies just enter the US.

You can walk on snow in the summer, travel on the *Going To The Sun Road* and get a free car wash from the snow melting higher up.

Wildflowers grow everywhere and some of the various wildlife includes marmots, ground squirrels, brown bears, big horn sheep, mountain goats, American dippers, and dusky grouse.

No entrance fee however a donation to the Enterprise Museum is appreciated.

The Enterprise Museum is owned and operated by the Enterprise Preservation Society Inc, a 501(c)3 non-profit corporation, and is maintained by volunteers with help from your donations and various grants. 501(c)3 Reg.#CH24965
