Florida author Marcia Meara always had an interest in Florida's wildlife. She lives near Orlando, with her husband of over 35 years and four big cats. When not writing, she spends her time gardening, and enjoying the birds in her suburban yard.

Her belief in the redemptive power of love is a unifying factor in both her haunting *Wake Robin Ridge* series and her *Riverbend FL* series.

No entrance fee however a donation to the Enterprise Museum is appreciated.
